

BREADCRUMBS MINISTRIES

JESUS SAID, "I AM THE BREAD OF LIFE. HE WHO EATS THIS BREAD WILL LIVE FOREVER." JOHN 6:48, 58

Dear Pastor or Conference Leader,

We have been conducting our *Biblical Intensives* ministry in various formats over the past ten years.

The short of it is that we love to conduct one week, three day, or even one-day sessions on a variety of biblical subjects. For example, we can do a *Revelation in a Nutshell* Intensive in one hour, or expand it to thirteen or fourteen sessions. The same applies to other book studies.

Our most requested *Intensives* during the past year have related to *The New Spirituality*, *The Emergent Church* and *The DNA of Dispensationalism* for seminars with multiple sessions, and *Islam in Prophecy* and *Israel in Prophecy* for our one time sessions.

When invited for Sundays only, we often deal with *Islam in Prophecy* during the Sunday School hour and *Israel in Prophecy* during the Morning Service. Because these are "intensive" we use multimedia equipment and hand outs for most sessions*. We always come fully equipped.

If you feel led to look a little more closely at our ministry we invite you to visit our web site at www.BiblicalIntensives.com. Be sure to visit the page titled "Getting Started" for helpful information. Of course, you can always call me personally on my cell at 605-890-0370. We are available to talk at most times.

Above all, we want to underscore that the size of your ministry, however small or large, is of no consequence to us. We urge you to prayerfully consider letting us come alongside you and reinforce your values in these days of deep apostasy.

Thank you for your prayerful consideration!

Rev. James P. Steel, Sr. D. Min.

*We are very sensitive to the needs of the churches to which we minister. Please feel free to discuss your particular church's level of understanding and ability to handle "strong meat." We'll adjust accordingly!
